Dear System,

The MsRWA would like to welcome you as a part of this festive event. As last year we will have booths at the Summer Training. Wednesday will be the only day for the exhibits. We would like for you to be sure to visit the booths during your spare time. There will be training for two hours in the exhibit hall.

So take us up on this opportunity to get out of town, take the family to the coast, enjoy great food and most importantly the great networking with your peers.

Don't forget to sign up for the "Shrimp Boil" on Wednesday evening, held at the Point Cadet Plaza.

If you need any additional information, please feel free to contact our office at 1.800.343.2520. You can also visit our web-site at [www.msrrwa.org](http://www.msrrwa.org)

An agenda will be forwarded as soon as possible.

We are applying for at least 18 CEUs in water and 18 MDEQ sponsored CECs.
