

FREE Utility Locator Skills Enhancement Workshop

Sign up now for a **FREE Utility Locator Skills Enhancement Workshop**! This workshop is valued at \$250 and is made available to you at no cost to you or your company. This is made possible by **Mississippi's Enforcement Board**, as part of its damage prevention outreach through its commitment to education and training.

Not only is this skills training workshop a great introductory session and a valuable career-building tool for novice line locators, but it was also designed to challenge and expand the knowledge base of even the most seasoned professionals in the art and science of underground line locating. Includes both classroom training and field instruction. You may bring your own locating device, or one will be provided.

Space is limited to 25 for each location.
