

**Mississippi Rural Water Association**  
**Backflow Prevention Assembly Tester**  
**2024 Re-Certification Classes**

The class for Re-Certification of Backflow prevention assembly testers is designed to update certified BPAT testers in the current regulations regarding cross connection, current approved procedures for testing and current approved assemblies. This is a one-day course, which consists of classroom instruction, hands-on procedures, and written and hands-on examinations. The class instructor will be Charles Pickering with MsRWA. **Each participant will be required to bring his/her own test kit to be used during the class and hands-on examination.**
