Again, this year: MsRWA has a special page on our website to host your CCR, if you don't have a website and would like to take this route of delivery. As stated in the health department information, you have the option of delivering your CCR electronically. **The CCR will have to stay on our website for three years.** The cost to host your CCR is \$165.00 for the three years that is required by the health department to stay on the website. If you would like for MsRWA to host your CCR please order it that way on the payment form.
